

Pipe Cleaner Poke Through

10m+

Harder

- Toothpicks
- Smaller holed strainer
- Sort the color pipecleaners
- Ask them to put specific colors in
- Do it while standing up or kneeling with strainer on table

Materials

- Cut up pipecleaners
- Pasta strainer

Easier

- Larger holed strainer
- Cut up straws (something thicker)
- Have them pull OUT the pipecleaners instead of putting them in the holes
- Do it hand over hand

Skills Worked On

- Pincer grasp
- Precision
- Hand eye coordination
- Texture exploration
- Depth perception
- Moving object from palm to ends of fingers (translation)
